Sir:

This is a Petition to correct the filing date indicated for the present patent application. A corrected filing date and filing receipt is hereby requested.

This petition is made pursuant to a communication furnished by the United State Patent Office to a Request for Corrected Filing Receipt submitted by Applicant on August 24, 2001 in effort to obtain a filing receipt that reflects the proper filing date for the application of the April 5, 2001, not April 4, 2001. A copy of the United State Patent Office communication is attached. Also attached is a copy of the Express Mail receipt and a copy of the Transmittal for the present application. The date-in section of the mail receipt was filled out in error to indicate April 4, 2001. See instead the date stamp thereon and dated signatures on the application Transmittal that indicate April 5, 2001 is the proper filing date.

The Commissioner is hereby authorized to charge any fees under 37 C.F.R. § 1.182 which may be required by this paper to Deposit Account No. 50-0815.

Respectfully submitted,

RESPONSE TO REQUEST FOR CORRECTED FILING RECEIPT

Application Filing Date

In response to your request for a corrected Filing Receipt, the Office can not comply with your request because:

If your application was submitted under 37 CFR 1.10, your filing date should be the "date in" found on the Express Mail label. If there is a discrepancy, a petition to accord a filing date should be submitted along with a copy of the Express Mail label showing the "date in" and be directed to the Office of Petitions.

A copy of the Express Mail label was not enclosed with your request. Petitions under 37 CFR 1.10 require a copy of the Express Mail Label to be submitted.

The "date in" on the Express Mail label is the date given on the Filing Receipt.

The filing date accorded to the application is the date the application met the filing date requirements of 37 CFR 1.53(b) or (c).

Applications submitted with a certificate of mailing under 37 CFR 1.8 are accorded a filing date as of the date the application is received in the U.S. Patent and Trademark Office. A request to review the filing date accorded to the application must be in the form of a petition.

The filing date on your return postcard is the same as the date on your Filing Receipt. A request to review the filing date accorded to the application must be in the form of a petition.
